SECTIONAL ACCIDENT REPORT

	Roast	Acid	Super	Cement	Yard	Engrs.	Colly.
Total number of accidents	2	1	2	8	1	12	—
Lost Time Accidents	2	1	1	3	1	4	—

(Included in the Rating is one lost time at Dredge.)

The usual procedure is that each Accident Prevention Committee functions for 12 months and then retires to make room for a new committee. This ensures greater interest on the Works and brings more viewpoints into consideration. A new committee is being formed. Those interested should notify the Safety Officer, Mr. J. A. Thomas, or the Secretary of the Committee. Membership is limited to ten.

B. P. DAVIES, Secretary,
 Accident Prevention Committee.
