Runner-up: Reg. Gibson.

Winning Pennant Rink: Eric Burgin,
Reg. Gibson, George Firmstone (Snr.), Bill Dobell.

Recently a "threes" gala day was held and although this was the first occasion on which this type of competition had been conducted by our Club the innovation proved to be highly successful, and we will no doubt be having more of them in the future. A total of 18 teams took part in the competition which was won by, **Arthur George, Chick Smith and Harold Owen** from a rink comprising **Terry Murnain, Bill McBlane and Ken Porter.**

Newstan Colliery Club paid us a visit during July, and so successful was the afternoon that negotiations are at present taking place for the two Clubs to compete annually for a trophy.

It has been decided to enter teams in the No. 4 and 5 Grades in the coming Pennant Competitions.

A few "personals" concerning some of our members have come to our ears and perhaps it may not be inappropriate to mention them here . . . Following the recent installation of a T.V. set at home, **Sam Skelly** is now a confirmed member of the "Yawn Patrol"! **Bill Gibson** and family have just returned from a holiday which took in Queensland's Gold Coast . . . Hearty congratulations to our Vice President, **Dave Crawford** and **Mrs. Crawford** on the birth of a bouncing baby boy recently.

Another recent convert to the grand game of bowls is **Neville Lowe** and no doubt we will soon have Nev. joining in the competitive side of the game.
