

MR. THOMSON TO JOIN HAMERSLEY IRON.

It was announced last week that Mr. A. T. Thomson, Production Manager, is to join Hamersley Iron Pty. Limited on 16th March as Production Manager at Dampier.

As a consequence of this move the following Cockle Creek appointments have been made:

Mr. J. W. Jolly to be Production Manager.

Mr. F. B. Storey to be Works Superintendent - Roasting, Sintering, Acid and Fertilizer.

Mr. R. A. Bath to be Works Superintendent - I.S.F., Refinery and Transport.

Mr. R. F. Still to be Superintendent, I.S.F.

These appointments, with the exception of Mr. Still, will be effective from 1st March. Mr. Still will take up his new position in May.

NEW APPRENTICE INTAKE

This year thirteen new apprentices commenced their trade courses with us and are now undergoing initial training at the Apprentice Training Centre.

We wish each of the lads well in his chosen career . . . From left (above) they are:—**Standing:** Alan Robertson (Boilermaking), Stephen Pinkney (Fitting and Turning), John Dick (Fitting and Turning), Rodney Hinton (Electrical), Terry Marks (Fitting and Turning), Robert Becker (Boilermaking), Chris Bull (Electrical). **Sitting:** Garry MacBeth (Boilermaking), Neil Plain (Boilermaking), Brian Blissett (Electrical), Paul Hayman (Fitting and Turning), Allan Edmonds (Plumbing), Stuart Ford (Electrical).
