BEFORE THE BATTLE...

LEFT : MR. K. COX (Referee)

BOB CHEDZEY has now left us,
like ECKFORD did before.
Another of the OLD GANG gone —
There can't be many more.

It makes you sit and ponder,
at the problem one must face.
Now, you take a bloke like
CHEDZEY, mate —
He's damn hard to replace.

I know he had his certain ways,
and liked things done just right —
and I know he had a helluva bark,
but I never heard of a bite.

And when you mull things over
and get right down to taws —
There was never any argument,
he was SULPHIDE to the core.

But he treated you fair and square,
mate
and saw that you earned a "quid."
And, it's to blokes like CHEDZEY,
mate —
I'll always dip me lid.

From us all at "C" and "D" Plants —
and H.G.P.'s as well.
As to your retirement, BOB —
We hope it's B----- SWELL!
— Don Gordon,
Acid Plant.
