Dear

Lake Mayaguez
6th July 1840.

With reference to my letter of the
26th May, and to your reply thereto - N^o 40/458. of the 1st
Vlt. I have the honor to enclose a letter I have
received from the Actl Coll Treasurer - for the
information of His Excellency the Governor: and
as it appears, that some unusual delay has taken
place in some of the Departments concerned in
forwarding my letter, having been ~~so long on~~
~~their way~~ to notified in the Gazette on the 29th Nov. last.
I shall feel exceedingly obliged if His Excellency would
be pleased to order my letter to be forwarded to the
Coll Treasurer ~~with~~ as an early opportunity, to
enable me to be in possession of them.

I am &c

Coll Secretary.
